

Greetings! Council of Industrial and Research (CSIR) India, in collaboration with Indian National Young Academy of Science (IN-YAS), have initiated a webinar series (primarily for students) in current lock-down situation for inculcating 'Scientific thinking and Temperament'. The lecture "Clinical Aspects of COVID-19, Myths and Myth Buster" by Dr. Paramdeep Singh will be available on 'JIGYASA CSIR' Youtube channel (easily reachable by Google search engine) or you can use the following link:

https://www.youtube.com/channel/UCt8Vj8_Ba59zTokJM02pigQ?view_as=subscriber

This webinar series is open to all and requires no password for access. This lecture (mentioned above) will be in English and shall be live on 24th April 2020 at 2.00pm to 3.00 pm [Indian Standard time (IST)] on above cited youtube channel. Further, the lecture will also be available on the channel after the webinar. It will be highly appreciable if you share the information with your colleagues, public, schools and teachers.
