

Dear Students/Parents,

I would like to draw your kind attention on continuing education through online resources due to lockdown, and to ensure the mental well being of our students. The current covid10/CORONA pandemic scenario may pose various challenges to our students. It is our prime duty to address and attend the problems of our students, during and after the COVID-19 outbreak.

In this regard, an e-mail ID, specially dedicated for guidance and counselling of our students is created by our Vidyalaya, where our students and parents can send their problems and apprehensions which will be addressed by trained counsellor. Feel free to mail your queries by mentioning name, class, section, mobile number and name of the parent if parent has the doubt, at kv2korbantpc@gmail.com. Questions or feelings can be in Hindi Or Eng . Parents are requested to monitor personally the E learnig work and home work given by the teachers. Students to submit day wise details of classes assignments and home work record on reopening day for internal evaluation. your kind cooperation is solicited
